COMPLAINT

JURY TRIAL REQUESTED

2008 JAN - 7 PM 7:34
S.D. OF N.Y.

Plaintiffs, BUSHIDO CAPITAL MASTER FUND, L.P. and BCMF TRUSTEES, L.L.C.

("Plaintiffs"), by and through their attorneys, as and for their Complaint ("Complaint") respectfully
allege as follows:

NATURE OF THIS ACTION

1. This is an action to recover sums due pursuant to a Convertible Promissory Note dated October 3, 2006 (the "Note"), in which Defendant BIONUTRICS, INC. (the "Defendant") promised to pay to BUSHIDO CAPITAL MASTER FUND, L.P. the principal sum of Five Hundred Thousand Dollars (\$500,000.00), with interest thereon at the rate of nine percent (9%) per annum. BUSHIDO CAPITAL MASTER FUND, L.P. later transferred and assigned a portion of its interest under the Note to BCMF TRUSTEES, L.L.C. The Note was due and payable on April 3, 2007. Defendant has failed to pay any interest or principal due pursuant to the Note.

JURISDICTION AND VENUE

2. This Court has subject matter jurisdiction over this action pursuant to 28 U.S.C. § 1332(a)(1) in that the matter in controversy exceeds the sum of \$75,000, exclusive of interest and costs, and is between citizens of different states.

3. In addition to jurisdiction over the Plaintiffs' claim for principal and interest due under the Note, this Court has jurisdiction over the Plaintiffs' claim for attorneys' fees, costs and expenses due under the Note pursuant to 28 U.S.C. § 1367(a).

4. Venue is also proper in this action pursuant to 28 U.S.C. § 1391(a)(2) because a substantial portion of the events or omissions giving rise to the claim occurred within the Southern District of New York, and Defendant expressly consented to venue in this District pursuant to paragraph 21 of the Note.

5. Paragraph 21 of the Note provides in relevant part:

Any legal action or proceeding with respect to this Convertible Note may be brought in the courts of the State of New York or of the United States of America sitting in New York County, and, by execution and delivery of this Convertible Note, the [Defendant] hereby accepts for itself and in respect of its property, generally and unconditionally, the jurisdiction of the aforesaid courts.

6. Thus, Defendant has consented to the jurisdiction of this Court.

DUE

CONVERTIBLE PROMISSORY NOTE

\$500,000.00
(Original Principal Amount)

Dated: October 3, 2005
(the "Issuance Date")

FOR VALUE RECEIVED BIONUTRICS, INC., a Nevada corporation (the "Company"), hereby promises to pay to BUSHIDO CAPITAL MASTER FUND, LP (the "Payee"), or its registered assigns, the principal amount of FIVE HUNDRED THOUSAND DOLLARS (\$500,000.00) together with interest thereon calculated from the date hereof in accordance with the provisions of this Convertible Promissory Note (as amended, modified and supplemented from time to time, this "Convertible Note" or upon transfer or exchange, the "Convertible Notes").

Certain capitalized terms are defined in Section 9 hereof.

1. Payment of Interest. Interest shall accrue at a rate equal to nine percent (9%) per annum (the "Interest Rate") beginning on the date of this Convertible Note on the unpaid principal amount of this Convertible Note outstanding from time to time; provided that so long as any Event of Default has occurred and is continuing, interest shall be deemed to accrue, to the extent permitted by law, at the rate of 18% per annum retroactive to the date of this Convertible Note on the unpaid principal amount of this Convertible Note outstanding from time to time through the date on which such Event of Default ceases to exist. Interest shall be computed on the basis of the actual number of days elapsed and a 360-day year. Interest on this Convertible Note shall be payable quarterly in arrears beginning on April 1, 2006.

2. Maturity Date. The entire principal amount of this Convertible Note and all accrued but unpaid interest thereon shall be due and payable in full in cash in immediately available funds on the eighteen (18) month anniversary of the Issuance Date (the "Maturity Date"), provided that, in the event that the Company consummates a Qualified Equity Financing (as defined in Section 9 below) prior to the eighteen (18) month anniversary of the Issuance Date, the Maturity Date of this Note shall be extended to the third anniversary of the Issuance Date. Any overdue principal and overdue interest together with any interest thereon shall be due and payable upon demand.

3. Conversion. (i) The Payee shall have the option to convert this Convertible Note into common stock of the Company at any time at a conversion price equal to the lesser of (i) \$3.00 per share or (ii) 75% of the then current conversion price per common share of the Company's Series A Preferred Stock (as defined in Section 9 below) (the "Conversion Price"). The optional conversion of this Convertible Note shall be deemed to have

been effected as of the close of business on the date on which this Convertible Note has been surrendered for conversion at the principal office of the Company. At the time such conversion has been effected, the rights of the holder of this Convertible Note as the holder of such note shall cease (with respect to the amount so converted), and the Person or Persons in whose name or names any certificate or certificates for shares of the Company common stock are to be issued upon such conversion shall be deemed to have become the holder or holders of record of the shares of such Company common stock (such common stock, the "Conversion Shares") represented thereby.

(ii) If at any time prior to the earlier of (x) the date of the optional conversion of this Convertible Note into shares of Company common stock or (y) the Maturity Date, (i) the Company consummates a Qualified Equity Financing and (ii) the Company common stock trades at a 30 day trailing average closing price equal to 300% of the then applicable Conversion Price per share and the average Common Stock share volume during such 30 day trailing period equals or exceeds 40,000 shares per day, this Convertible Note shall automatically and without any further action by any Person convert into Company common stock at the then applicable Conversion Price, provided that, this mandatory conversion right will only be applicable to the holder of this Convertible Note if the Company common stock into which this Convertible Note is convertible is subject to an effective registration statement relating to the resale of such common stock at the time of such mandatory conversion.

(iii) As soon as possible after any conversion of this Convertible Note has been effected (but in any event within three (3) Business Days following such conversion (the "Certificate Delivery Date")), the Company shall deliver to the converting holder an original certificate or certificates representing the number of shares of Company common stock issuable by reason of such conversion in such name or names and such denomination or denominations as the converting holder has specified.

(iv) The issuance of certificates for shares of Company common stock upon conversion of this Convertible Note shall be made without charge to the holder hereof for any issuance tax in respect thereof or other cost incurred by the Company in connection with such conversion and the related issuance of shares of Company common stock. Upon conversion of this Convertible Note, the Company shall take all such actions as are necessary in order to insure that the Company common stock issuable with respect to such conversion shall be validly issued, fully paid and nonassessable.

(v) Except as required by applicable law, the Company shall not close its books against the transfer of Company common stock issued or issuable upon conversion of this Convertible Note in any manner which interferes with the timely conversion of this Convertible Note. The Company shall assist and cooperate with any holder of this Convertible Note required to make any governmental filings or obtain any governmental approval prior to or in connection with the conversion of this Convertible Note (including, without limitation, making any filings required to be made by the Company).

(vi) The Company shall at all times reserve and keep available out of its authorized but unissued shares of Company common stock, solely for the purpose of issuance upon

conversion hereunder, such number of shares of Company common stock issuable upon conversion. All shares of such capital stock which are so issuable shall, when issued, be duly and validly issued, fully paid and nonassessable and free from all taxes, liens and charges (except for any such liens created by the Holder). The Company shall take all such actions as may be necessary to assure that all such shares of capital stock may be so issued without violation of any applicable law or governmental regulation or any requirements of any domestic securities exchange upon which such shares of capital stock.

4. Adjustments of Conversion Price and Number of Conversion Shares. The number of and kind of securities purchasable upon conversion of this Note for shares of the Company's common stock shall be subject to adjustment from time to time as set forth in this Section 4.

(a) Subdivisions, Combinations, Stock Dividends, Sales and other Issuances. If at any time after the date hereof, the Company shall issue shares of Common Stock or rights, options, warrants or other securities to subscribe for or purchase Common Stock, or securities convertible or exercisable into or exchangeable for Common Stock ("Common Stock Equivalents") (excluding shares, rights, options, warrants, or convertible or exchangeable securities, issued or issuable (i) upon exercise of the Warrants or any other Common Stock Equivalents outstanding as of the date hereof, or issuable in connection with the Company's Series A Preferred Stock offering, (ii) upon conversion of the Series A Preferred Stock, par value \$0.01 per share, of the Company, (iii) pursuant to the exercise of any stock options or warrants currently outstanding or options or warrants issued after the date hereof pursuant to any Company benefit plan, stock option plan, stock bonus plan or other equity program approved by the Company's Board of Directors, but only to the extent, that such shares of Common Stock issued or issuable pursuant to such stock option plans, stock bonus plans or stock incentive plans does not exceed ten percent (10%) of the then outstanding Common Stock on a fully diluted basis, or (i) with respect to any issuance or transaction as to which holders of a 66-2/3% of the then outstanding shares of the Company's Series A Preferred Stock, have provided prior written consent), at a price per share lower than the Conversion Price per share of Common Stock in effect immediately prior to such issuance, then the Conversion Price shall be reduced on the date of such issuance to a price (calculated to the nearest cent) determined by multiplying the Conversion Price in effect immediately prior to such issuance by a fraction, (1) the numerator of which shall be an amount equal to the sum of (A) the number of shares of Common Stock on a fully diluted basis (assuming conversion, exchange or exercise of all Common Stock Equivalents) immediately prior to such issuance plus (B) the quotient obtained by dividing the consideration received by the Company upon such issuance by the Conversion Price, and (2) the denominator of which shall be the total number of shares of Common Stock on a fully diluted basis (assuming conversion, exchange or exercise of all Common Stock Equivalents) immediately after such issuance. For the purposes of such adjustments, the maximum number of shares which the holders of any such Common Stock Equivalents shall be entitled to subscribe for or purchase or convert or exchange such securities into shall be deemed to be issued and outstanding as of the date of such issuance (whether or not such Common Stock Equivalent is then exercisable, convertible or exchangeable), and the consideration received by the Company therefor shall be deemed to be the consideration received by

the Company for such Common Stock Equivalents, plus the minimum aggregate consideration or premiums stated in such Common Stock Equivalents, to be paid for the shares covered thereby. No further adjustment of the Conversion Price shall be made as a result of the actual issuance of shares of Common Stock on exercise of such Common Stock Equivalents. On the expiration or the termination of such Common Stock Equivalents, or the termination of such right to convert or exchange, the Conversion Price shall forthwith be readjusted (but only with respect to that portion of the Notes which has not yet been exercised) to such Conversion Price as would have obtained had the adjustments made upon the issuance of such Common Stock Equivalents, been made upon the basis of the delivery of only the number of shares of Common Stock actually delivered upon the exercise of such Common Stock Equivalents; and on any change of the number of shares of Common Stock deliverable upon the exercise of any such Common Stock Equivalents, or any change in the consideration to be received by the Company upon such exercise, conversion, or exchange, including, but not limited to, a change resulting from the anti-dilution provisions thereof, the Conversion Price, as then in effect, shall forthwith be readjusted (but only with respect to that portion of the Note which has not yet been converted after such change) to such Conversion Price as would have been obtained had an adjustment been made upon the issuance of such Common Stock Equivalents not exercised prior to such change, or securities not converted or exchanged prior to such change, on the basis of such change.

(b) Merger, etc. If at any time after the date hereof there shall be a merger or consolidation of the Company with or into or a transfer of all or substantially all of the assets of the Company to another entity, then the Holder shall be entitled to receive upon or after such transfer, merger or consolidation becoming effective, and upon payment of the Conversion Price then in effect, the number of shares or other securities or property of the Company or of the successor corporation resulting from such merger or consolidation, which would have been received by the Holder for the shares of stock subject to this Note had this Note been converted just prior to such transfer, merger or consolidation becoming effective or to the applicable record date thereof, as the case may be. The Company will not merge or consolidate with or into any other corporation, or sell or otherwise transfer its property, assets and business substantially as an entirety to another corporation, unless the corporation resulting from such merger or consolidation (if not the Company), or such transferee corporation, as the case may be, shall expressly assume in writing the due and punctual performance and observance of each and every covenant and condition of this Note to be performed and observed by the Company.

(c) Reclassification, etc. If at any time after the date hereof there shall be a reorganization or reclassification of the securities as to which conversion rights under this Note exist into the same or a different number of securities of any other class or classes, then the Holder shall thereafter be entitled to receive upon conversion of this Note, during the period specified herein and upon payment of the Conversion Price then in effect, the number of shares or other securities or property resulting from such reorganization or reclassification, which would have been received by the Holder for the shares of stock subject to this Note had this Note at such time been exercised.

(d) For the purposes of the foregoing adjustments, in the case of the issuance of any convertible securities (including, without limitation, shares of Series A Preferred Stock) warrants, options or other rights to subscribe for or to purchase or exchange for, shares of Common Stock ("Convertible Securities"), the maximum number of shares of Common Stock issuable upon exercise, exchange or conversion of such Convertible Securities shall be deemed to be outstanding, provided that no further adjustment shall be made upon the actual issuance of Common Stock upon exercise, exchange or conversion of such Convertible Securities. Upon the expiration of any such Convertible Securities or the termination of any such right to convert or exchange such Convertible Securities, the Exercise Price then in effect hereunder shall forthwith be increased to the Exercise Price which would have been in effect at the time of such expiration or termination had such Convertible Securities, to the extent outstanding immediately prior to such expiration or termination, never been issued, and the Common Stock issuable thereunder shall no longer be deemed to be outstanding.

(e) In the event of any adjustment in the number of Conversion Shares issuable hereunder upon conversion, the Exercise Price shall be inversely proportionately increased or decreased as the case may be, such that aggregate purchase price for Conversion Shares upon full conversion of this Note shall remain the same. Similarly, in the event of any adjustment in the Conversion Price, the number of Conversion Shares issuable hereunder upon conversion shall be inversely proportionately increased or decreased as the case may be, such that aggregate purchase price for Conversion Shares upon full conversion of this Note shall remain the same.

5. Method of Payments.

(i) Payment. So long as the Payee or any of its nominees shall be the holder of any Convertible Note, and notwithstanding anything contained elsewhere in this Convertible Note to the contrary, the Company will pay all sums for principal, interest, premiums, dividends or otherwise becoming due on this Convertible Note held by the Payee or such nominee not later than 5:00 p.m. New York time, on the date such payment is due, in immediately available funds, in accordance with the payment instructions that the Payee may designate in writing, without the presentation or surrender of such Convertible Note or the making of any notation thereon. Any payment made after 5:00 p.m. New York time, on a Business Day will be deemed made on the next following Business Day. If the due date of any payment in respect of this Note would otherwise fall on a day that is not a Business Day, such due date shall be extended to the next succeeding Business Day, and interest shall be payable on any principal so extended for the period of such extension. All amounts payable under this Convertible Note shall be paid free and clear of, and without reduction by reason of, any deduction, set-off or counterclaim. The Company will afford the benefits of this Section to the Payee and to each other Person holding this Convertible Note.

(ii) Transfer and Exchange. Subject to applicable law, upon surrender of any Convertible Note for registration of transfer or for exchange to the Company at its principal office, the Company at its sole expense will execute and deliver in exchange therefore a new Convertible Note or Convertible Notes, as the case may be, as requested by the holder or

transferee, which aggregate the unpaid principal amount of such Convertible Note, registered as such holder or transferee may request, dated so that there will be no loss of interest on the Convertible Note and otherwise of like tenor, provided that this Convertible Note may not be transferred by Payee to any Person other than Payee's affiliates without the prior written consent of the Company (which consent shall not be unreasonably withheld or delayed). The issuance of new Convertible Notes shall be made without charge to the holder(s) of the surrendered Convertible Note for any issuance tax in respect thereof or other cost incurred by the Company in connection with such issuance, provided that each Convertible Noteholder shall pay any transfer taxes associated therewith. The Company shall be entitled to regard the registered holder of this Convertible Note as the holder of the Convertible Note so registered for all purposes until the Company or its agent, as applicable, is required to record a transfer of this Convertible Note on its register.

(iii) Replacement. Upon receipt of evidence reasonably satisfactory to the Company of the loss, theft, destruction or mutilation of any Convertible Note and, in the case of any such loss, theft or destruction of any Convertible Note, upon receipt of an indemnity reasonably satisfactory to the Company or, in the case of any such mutilation, upon the surrender and cancellation of such Convertible Note, the Company, at its expense, will execute and deliver, in lieu thereof, a new Convertible Note of like tenor and dated the date of such lost, stolen, destroyed or mutilated Convertible Note.

6. Representations and Warranties of the Company. The Company represents and warrants to Payee that:

(ii) Absence of Conflicts. Neither the execution, delivery and performance of this Convertible Note by Company, nor the consummation of the transactions contemplated hereby, nor compliance by Company with any of the provisions hereof, will (a) violate, conflict with, or result in a breach of any provision of, constitute a default under, or permit or result in the termination of, acceleration of any obligation under, or creation of a lien under any of the terms, conditions or provisions of, (i) the certificate of incorporation, bylaws or stockholders agreements of Company, or (ii) any note, mortgage, agreement, indenture, or license by which Company or any of its properties or assets may be bound, or to which Company or any of its properties or assets may be subject, or (b) violate or conflict with any law, rule, regulation, judgment, ruling, order, writ, injunction or decree applicable to Company or any of its properties or assets.

(iii) Authorization of Agreements, Etc. Each of (i) the execution and delivery by the Company of this Convertible Note, (ii) the performance by the Company of its obligations hereunder, and (iii) the issuance, sale and delivery by the Company of this Convertible Note has been duly authorized by corporate action of the Company.

(iv) Validity. This Convertible Note has been duly executed and delivered by the Company and constitutes the legal, valid and binding obligation of the Company, enforceable against the Company in accordance with its terms, except as may be limited by bankruptcy, insolvency, reorganization, moratorium or similar laws relating to or limiting creditors rights generally or by equitable principles relating to enforceability.

S-3 Rights. Investors shall be entitled to unlimited demand registrations on Form S-3 (if available to the Company) so long as such registered offerings are not less than \$1,000,000.

Expenses: The Company shall bear registration expenses (exclusive of underwriting discounts and commissions and expenses of counsel) of all such demands, piggy-backs, and S-3 registrations (including the expense of one special counsel of the selling shareholders).

Transfer of Rights: The registration rights may be transferred to (i) any partner or retired partner of any holder which is a partnership, (ii) any family member or trust for the benefit of any individual holder, or (iii) any transferee who acquires at least 5,000 shares of Registrable Securities; in each case, provided that the Company is given written notice thereof.

Other Provisions: Other provisions shall be contained in the Investor Rights Agreement with respect to registration rights as are reasonable, including cross indemnification, the period of time in which the Registration Statement shall be kept effective and underwriting arrangements.

Pre-Emptive Rights:

Investors shall have the right in the event the Company sells equity securities, convertible securities or warrants to any person to purchase their pro rata portion of such shares for a period of 30 days after the closing of such sale. Any securities not subscribed for by an eligible Investor may be reallocated among the other eligible Investors. Such keep even right will not apply to any underwritten public offering of Company equity securities by a internationally, nationally, or regionally recognized underwriter, at a price per share of Common Stock no less than three times the Original Purchase Price.

The investment shall be made pursuant to a Subscription Agreement reasonably acceptable to the Company and the Investors, which agreement shall contain, among other things, appropriate representations and warranties of the Company, covenants of the Company reflecting the provisions set forth herein and appropriate conditions of closing, including an opinion of counsel for the Company. The Subscription Agreement shall provide that it may only be amended and any waivers thereunder shall only be made with the approval of the holders of two-thirds of the Series A Preferred.
